BOARDING AT FOREMARKE

FOREMARKE HALL

REPTON PREPARATORY SCHOOL

A Vibrant, Caring & Friendly Community

For over 60 years, boarding has been at the very heart of Foremarke creating a strong community spirit, encouraging children to live and work together harmoniously, helping them gain independence, improving their organisational skills and building the confidence they will need in later life.

A Home from Home

Our Boarding Houses have the warm, family atmosphere children need to relax, have fun and build lasting friendships. Boarders, houseparents and their families live together, creating a real sense of belonging to the Foremarke Family. Children flourish in comfortable surroundings where they are offered the attention, care and guidance they need.

A Flexible Approach to Boarding

We offer a range of different types of boarding including full, weekly and home and away (where children go home at weekends and on Wednesday evenings). Of course, parents are able to take full boarders home at the weekend whenever they wish, and weekly boarders are more than welcome to stay.

Our **Francis** and **Burdett** boarding houses cater for boys, and **Nightingale** house caters for girls. All have areas where the children can relax after school, play games and chat to friends.

Our boarding weekends are the envy of all - varied, fun, exciting and recharging. See our web site for more information.

For more information please contact Jo Hill, Head of Boarding.
Telephone 01283 707100 or email jhill@foremarke.org.uk
