

Our Flexi-home from home

FLEXI-BOARDING AT FOREMARKE

FOREMARKE HALL
REPTON PREPARATORY SCHOOL

AVAILABLE TO ALL
CHILDREN IN
YEARS 3 TO 8

A Vibrant, Caring & Friendly Community

Flexi-Boarding is an opportunity for children to start to learn how to become more independent and self-reliant and to live harmoniously with their peers in a supportive, familiar and relaxed environment.

Children have the option of quiet time or busy time in the evenings, depending on their individual needs and choices. Activities change each night and make full use of Foremarke's facilities and grounds. Children are encouraged to try new activities and expand their friendship groups.

Flexi Boarding means...

- Staying for supper at 6pm
- Attending a supervised activity of choice
- Completing prep set under the supervision of Mrs Waldock
- A light snack around 8pm (Fruit/toast/biscuits and a variety of drinks)
- A wind down routine depending on age which includes a set reading time
- A buffet breakfast the following morning
- A gently supervised start to the school day. "Teeth and tidy" and bag check if required at 8.15am and no school run!

Flexi Boarding is truly flexible

You can book in on a regular basis or an ad-hoc basis or use a combination of the two.

Remember, we are always there in case of an emergency.

Reasons to go Flexi...

- Your child has a late practice, performance or trip
- You are working late or travelling away from home
- Take the pressure off the early school run. This is particularly useful during bad weather or late into the term when children are getting tired
- Ease your child over time into a full boarding routine

Head of Flexi-Boarding
Claire Waldock

For more information please contact Claire Waldock, Head of Flexi.
