HOUSE SWIMMING GALA WEDNESDAY 21st FEBRUARY REPTON POOL 2.15pm - 4.00pm

We are looking forward to the annual Foremarke House Swimming Gala for Years 5-8. All boys and girls who are selected to take part will know which events they are in. Team sheets will be posted on the swim board outside near The Quad and will go live on the sports web site during half term.

Coaches will take all swimmers to Repton for a 2.15 -2.30pm start.

Parking for the event is available by the Astro pitches and will be tight therefore it may be prudent to park in the village and walk down to the pool. There is limited seating so please arrive early. Unfortunately, we are unable to provide refreshments on this occasion.

After the gala all day pupils should be collected from the Old Gym (by the Swimming Pool complex - PE staff will be on hand to direct) at approximately 3.45/4pm. Children must de-reg with Heads of House.

SWIMMERS: Bring with you your swimsuit, goggles, house/white T-shirt and two towels. Normal school uniform required for the day.

Many thanks in advance for all your support

Mrs Mansfield

Team of the Week

UIIA Boys' Hockey

The UIIA put in an imperious performance at Rugby School to be crowned Midlands IAPS Hockey champions. During the course of the day they won five and drew one of their six fixtures ensuring they won their group and the overall tournament in some style.

They finished the day with a 2-0 triumph over RGS The Grange Worcester, which ensured they will be travelling down to Kent next month for the National finals and they became the first group of players in Foremarke history to qualify for both the football and hockey national finals in the same year.

A fantastic effort from all 10 players whose behaviour was also impeccable. IC

Pre-Prep News and Notices

Notices

Thursday 1st March – World Book Day.
Children may come dressed as a book character. Children are encouraged to bring in the book containing that character or bring in one of their favourite books. Please see further notes on World Book Day included in this Flyer.

Well done to Year One for a fantastic Musical Assembly this week. All the children performed brilliantly!

We hope you all have a lovely half term.

Uniform Reminder

The school uniform is worn from Nursery through to Year 8. Please ensure that your child is wearing full school uniform and that all items comply fully with school clothing list. This includes hats, scarves, gloves, coats, shoes and hair bobbles/bands. Please ensure that hair length/cuts also abide by the school policy. Please also ensure that all items are named.

If you are unsure of anything regarding the school uniform, please do ask for a copy of the uniform list or speak to me, and I will be happy to clarify things. The School Shop at Repton can help with any queries regarding uniform. The Stock Exchange at Foremarke Hall is also somewhere you can purchase school uniform items. Your support on this matter is very much appreciated.

Lower School News and Notices

World Book Day

This year the whole school is celebrating World Book Day on 1st March. Please do come to school dressed up as your favourite book character. The half term holiday is the perfect time to think about your costume. Please remember that hair dye and face paint are not permitted. Thank you.

4B Lunchtime Concert

The first of our lunchtime concerts took place on Wednesday when 4B performed wonderfully for the rest of Lower School and for many parents. We look forward to the other concerts which take place over the coming months. The next one is 4O on 21st February.

LOST PROPERTY

Oliver Way (4B) – named mouthguard
Peggy Ascott (3C) – named activity tracker with pink strap.

Year 3 Science

Year 3 have been learning about the properties of different materials. This week the focus was on 'Absorbency' and the children carried out an investigation to see which type of paper towel was the most absorbent. They tested kitchen roll, toilet tissue and the paper towels which they use in the changing rooms; each group found the kitchen roll to be the most absorbent.

Year 3 Maths

In Maths Year 3 have been working on capacity. The children were given several different everyday containers. They had to estimate whether they held less than a litre, a litre or more than a litre. They then set about pouring the water into an appropriately sized measuring jug and carefully reading the scales. We had some surprising results and some overflows when the wrong size jug was selected!

Competition

Last Friday I gave an assembly on plastic and how we have grown so used to its convenience. I hope your children told you some of the shocking statistics: a plastic bottle of water will take 450 years to break down, and in the UK 27,000 bottles are bought every minute. That's over 38 million every day.

I hope that some of you will try to make a few changes – here are some ideas:

Six changes you can make straight away:

- Refuse the straw – straws suck!
- Use your own refillable container for water or Starbucks/Costa – it saves you money too. Pupils can make sure they bring in their own bottle for matches
- Don't buy vegetables and fruit that are in packaging – buy loose
- Only paper and poo go down the loo
- Refuse the plastic bags – get a turtle bag www.turtlebags.co.uk
- Pick up litter or organise a community litter-pick

Other changes you could consider:

- Get milk delivered in glass bottles. Fruit juice too. You can use an app to order
- Use a butter dish instead of spreadable butter Write to your MP or local supermarket asking for a return deposit scheme for plastic bottles
- Buy bamboo toothbrushes and wooden hair brushes
- Don't use wipes for cleaning or make-up.

I have three turtle bags to give away to the first three pupils who come and tell me about a significant change that they have made, for example, they organised a litter pick, they swapped to a milkman delivery, every member of the family bought a re-usable water container or coffee cup etc.

I look forward to hearing about these changes.

Parent-Teacher Meeting - Year 5, Year 6 and Year 8

The following Parent-Teacher meetings are scheduled to take place after half term.

Year 5 (day)	Thursday 22nd February	6.30pm —8.30pm	Sports Hall
Year 8 (day)	Monday 26th February	6.30pm —8.30pm	Sports Hall
Year 6 (day)	Tuesday 6th March	6.30pm —8.30pm	Sports Hall

Year 5 parents will find an invitation letter in their end of term envelopes which contains an RSVP to the school office.

We hope that these meetings will provide you with an opportunity to discuss all aspects of your child's progress this term and we are very much looking forward to seeing as many parents as possible. Should you have any concerns at this stage, please do not hesitate to contact me.

We shall be celebrating World Book Day on Thursday 1st March throughout the school, when the children are invited to come into school as a character from their favourite novel.

We want to encourage the children to be inventive rather than spending lots of money buying an outfit, as the focus should be on them thinking about books rather than a costly dressing up costume. They should be ready to explain who they are, which novel they appear in and why they like them.

We are also running a competition for the best alternative front book cover. Their A4 design can be handed to Mrs Kelly after half term and the winner will be announced on World Book Day. You can find a range of costumes, props, and how-to-videos at www.bookaid.org/world-book-day-dressup. You can also make a donation towards sending books to thousands of communities where people have few or no books to read on the www.bookaid.org/world-book-day website.

DANGEROUS KIDS:

There are spaces available this year for Dangerous Kidz. Places fill up extremely quickly for this course and numbers are limited but, at present, there are spaces available for the 2018 week. If you are interested please contact Mr Clarkson on iclarkson@foremarke.org.uk to check availability.
