From the Headmaster

Dear Parents

In over 20 years of leadership one experiences so many highlights and moments which live on in the memory forever. Tuesday night at Lichfield Cathedral, with our outstanding musicians and singers, was one of the those special occasions. It is now the event which elevates itself above and beyond all my previous highlights. I have never witnessed an entire audience stand spontaneously to applaud a school performance before.

Mrs Bloor wrote to me the following morning eulogising and admitting, "that the evening sits at the top of the most wonderful concerts in my career to date". This is some accolade! A commendation which undoubtedly will stand unchallenged.

Guest of honour and world class trumpeter, Mike Lovatt, was inspirational, motivational and a true blessing on our pupils and their performances.

All rose to the occasion performing admirably and relishing the setting and environment. It will be an experience that lives with all, performances and audience alike for many, many years. Thank you.

In addition, over £3,500 was raised to aid the work of the Lichfield Cathedral Development Fund.

Foremarke Photography Competition

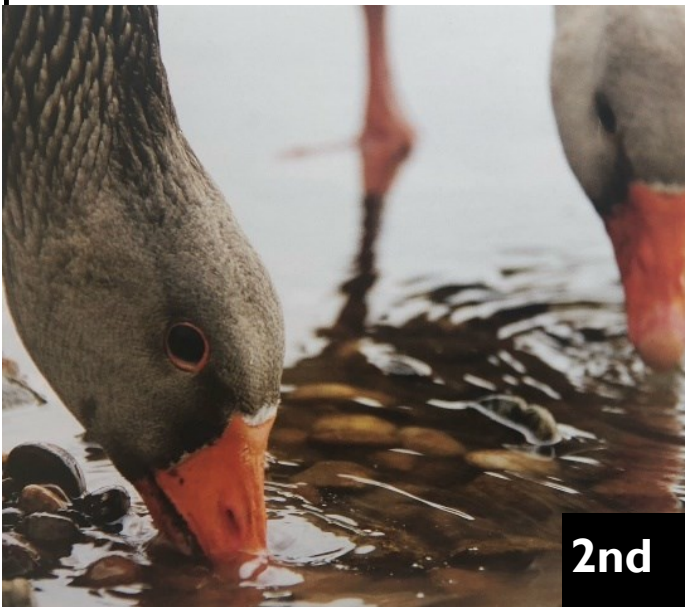

This year the Art department asked pupils to take a photograph and enter it into the school's competition. The topic was 'Environment', which has plenty of wide varieties to its title.

We had over 50 entrants ranging from Reception pupils to Year 8. We have been very impressed by the high standard of the pieces and this made judging very difficult this year.

We are pleased to announce that 1st place was Ludi Iorio, Year 6 for her photo entitled "Stop ignoring the signs", we liked the humour and irony of such a topical theme. Second place was Jake Robinson, Year 6 for his photo title "Guzzling geese". The close detail of the feeding geese was great. Joint 3rd was Hatti Harman for her 'animal skull', a lovely tonal piece depicting an animal's head. Also Joe Sookias for his 'Urban Environment' of a graffitied wall in Rome.

Congratulations to all who entered and thank you for supporting the department.

All the Highly Commended pieces and finalists will be displayed in the exhibition at the end of the term to showcase all the department has done this year. RC

Swimming Gala

It was the swimming gala. The day that I had been excited for had come. I got my swim kit on and went to join my team. We were the Sealions with Mrs Buckingham as a captain. Then we entered the pool.

My first race was the 25m relay. Then I did the float race, a race with a float to pick up your team mates. Then I had another race. I had been nervous in all of them.

At the end I collected my trophy and walked all around the pool. I had come third with my team. The Whales had won, but I was happy at where I had come. My trophy was marble and bronze; it was a real work of art.

3M Lunchtime Concert
